Thanks, in that case I'm going to head home.

Can someone please let me know if/when the statement of work is posted. I'll check

email later and follow-up with Bruce so he's aware.

Laura-

We identified a confidentiality claim on the work plan, so our revised request is for David to approve posting of the Statement of Work tonight. We are working to get the confidentiality claim waived so we can release the work plan asap.

Does anyone know if David O approved release of the GKM Work Plan? We

understand there are several docs with OGC right now but weren't sure whether David O approved the posting – or – if someone is getting his approval concurrent with OGC review.

I'm still here. Was redirected by Joan to stay and help with messaging and Qs and As.

Are we expecting a data release tonight to send to congs and media and stakeholder list, or no?
